Copies	Date	Description
1	6/16/06	June 2006 Data Update to the RFI/RI Report Addendum

Transmitted via ☐ First class mail ☒ Overnight express ☐ Hand delivery ☐ Other

**Remarks**

Gary,

Per our discussion at the May 23, 2006 meeting at the GM Linden Facility, please find enclosed the data report that updates the RFI/RI Report Addendum with the latest groundwater sampling results, groundwater level measurements, and additional well installation details. The data report utilizes the same numbering/lettering scheme for the tables, figures, appendices.

If you have any questions or require additional information, please contact us.
